1 LICENSE GRANTS AND LICENSE TYPES

• Installation and Use

Non-Lethal Applications grants you the right and license to use Non-Lethal Applications' software program "Non-Lethal Applications ADR Master" (the "software").

You are permitted to use the software under the terms of this agreement for no more than fourteen (14) days with a reduced set of functionality, and for evaluation purposes only, without payment to Non-Lethal Applications. The software may include functionality that will render it inoperational upon expiration of this evaluation period.

To use the software after the evaluation period you must purchase a license from Non-Lethal Applications. The license allows you to use one copy of the Software on one single computer.

• Perpetual License Terms

Non-Lethal Applications grants you a non-exclusive license to use ADR

Master, only in accordance with the terms and conditions set forth herein. You agree not to rent, lease, sublicense, or lend ADR Master to any other person or entity, except as expressly provided herein, and that any attempt to do so in any other way shall render the license null and void.

Purchase of a Perpetual License grants you the right to activate and use ADR Master using the tools provided by PACE Anti Piracy to either a computer or an iLok USB dongle. This License does not allow ADR Master to be used on multiple computers at the same time.

Each Single-Machine Perpetual License is only valid for the purchased major version of ADR Master.

- **Single-Machine Subscription License Terms**

Non-Lethal Applications grants you a non-exclusive license to use ADR Master, only in accordance with the terms and conditions set forth herein. You agree not to rent, lease, sublicense, or lend ADR Master to any other person or entity, except as expressly provided herein, and that any attempt to do so in any other way shall render the license null and void.

Purchase of a Single-Machine Subscription License grants you the right to activate and use ADR Master on one computer used by multiple people. This License does not allow ADR Master to be used on multiple computers at the same time.

Each Single-Machine Subscription License is valid for the major version current when buying the license as well as for future major versions of ADR Master as long as the subscription isn't cancelled.

Non-Lethal Applications requires the machine running ADR Master to be online at least once at the end of each subscription month as long as the subscription runs.

You may transfer your ADR Master license rights to another computer by using the application's integrated activate/revoke functionality. This requires a working internet connection. When a license is revoked, ADR Master's license is reset to a trial license on the machine where the revocation takes place. You are then allowed to activate and use ADR Master on a new machine of your choice.
